McGRADY INSURANCE MSA ANICC NORTHERN IRELAND RALLY CHAMPIONSHIP 2018

BULLETIN No. 5

1. CHAMPIONSHIP STEWARDS PANEL

Following the publication of provisional Championship points tables after Round 6 a number of queries have been received from competitors. These arise from some apparent anomalies in the timing of registration of competitors and the allocation of championship points.

A meeting of the Championship Stewards Panel took place on 15 October 2018 in accordance with Article 2.4 of the Championship Regulations which are available on www.anicc.org.uk

After considering all of the available written evidence produced the Stewards have decided as follows:

1. A number of anomalies in registrations at Round 1 were reviewed, decisions were taken based on written evidence produced to the panel. Championship tables have been adjusted accordingly.
2. The alleged registration of Desi Henry at Round 2 was reviewed. A decision was taken based on written evidence produced to the panel. In the view of the panel Desi Henry was not registered until after Round 2. Championship tables have been adjusted accordingly.
3. Further anomalies in registrations at Rounds 3, 4 and 5 were reviewed, decisions were taken based on written evidence produced to the panel. Championship tables have been adjusted accordingly.

Attachment: Revised Provisional Points following Round 6.
