#### Championship Regulations - Tie breaks

**7.4** Overall ties will be decided in favour of the Competitor with the greatest number of maximum point scores considering all scoring events; failing this, the greatest number of second points finishes, and so on down until the tie is resolved. If any further ties remain, they will ultimately be decided based on performance in the sequential order of events.

**7.5** Class ties shall be decided in a similar fashion, by considering points scored down to final registered Competitor in class.
